Jane Goodfield's

CV is enclosed.

Her best credential, "An Imagined World" speaks for itself.

I recommend it for the CASBS library too. I would enthusiastically nominate her for the Center and, if I were permitted, for a The Arthur Foundation Fellowship.

Dr. Goodfield has no regular academic position; just a courtesy title here -- as a humanist she does not fit our table of organization. She is into an exciting project idea -- some TV films of scientific biography.
